SUBJECT: Community Advisory Board for Nevada Test Site Programs
Student Liaisons

Dear Ms. Snyder:

In conjunction with our FY 2010 membership recruitment, the Board would like to recommend the Department of Energy consider the addition of two high school student liaison seats on the Community Advisory Board.

The inclusion of today's youth in the discussion of environmental management issues addressed by the CAB would, no doubt, be beneficial to the Board. In addition, such participation would offer a unique learning experience for the students involved. The Board would further recommend these student liaisons serve one full year terms beginning in May of their junior year, attend Full Board meetings and participate in at least one committee.

The opportunity to involve high school students in CAB activities would be invaluable and we appreciate your consideration of this proposal.

Sincerely,

Walter F. Wegst, Chair
